OUSSAMA BENDAKIR

FRONT-END DEVELOPER

LinkedIn (in/bendakir-oussama/) | +213 791 98 50 97 | bdk.oussama@gmail.com | Portfolio

Dedicated front-end developer with a strong commitment to delivering exceptional user experiences. Expert in JavaScript, React, Next.js, HTML, and CSS

PROFESSIONAL EXPERIENCE

Freelancer   **Constantine, Algeria**
Front-end Developer   August 2022 - PRESENT

- Managed 10-plus clients, ensuring clear communication on project progress and expectations.
- Developed responsive web apps using React, Next.js, and Sanity CMS.
- Deployed web applications securely with Netlify, resulting in a 50% reduction in deployment time and ensuring a 90% decrease in security vulnerabilities.
- Enhanced user experience with micro-interactions and animations.
- Followed the Jamstack approach for secure and scalable websites.

Yassir   **Algiers, Algeria**
Front-end Developer   September 2020 - August 2022

- Developed user-friendly and intuitive UI/UX designs in collaboration with designers, focusing on user needs and feedback.
- Implemented efficient state management with Redux and Context API.
- Reduced page load times by 40% through optimization techniques.
- Implemented responsive design principles to ensure web applications perform well on various devices and screen sizes.
- Integrated RESTful API endpoints to fetch and update data within web applications.
- Conducted code reviews to maintain code quality and ensure adherence to coding standards.
- Identified and resolved bottlenecks and bugs, improving the stability and functionality of the applications.

Aroubi Advertising Agency   **Constantine, Algeria**
Front-end Developer   July 2018 - August 2020

- Crafted a React Native mobile app with RESTful API integration, leading to a remarkable 25% boost in reporting speed.
- Collaborated with clients to gather project requirements and offered technical support.
- Managed and maintained 5+ websites and blogs, overseeing the publication of 500+ pieces of online content.
- Transformed design wireframes into e-commerce website themes using HTML5, CSS3, and jQuery, delivering high-quality, reusable markup for 10+ projects.
- Developed and maintained websites for healthcare, e-commerce, and non-profit clients.

EDUCATION

University Of Constantine 2 - Abdelhamid Mehri   **Constantine, Algeria**
